The People's Party, through its state and National committees, has indicated its willingness to co-operate with all parties to accomplish its aims is fully set forth in Chairman Butler's address just issued. What the rank and file say? To ascertain that was the avowed object of Chairman Butler's circular, and the object of the State committee in authorizing it. It needs no defense. It is due the committee state these facts, and here THE LUCASIAN is content to rest the matter for the present—intending, hereafter, to discuss fully the sum of importance of a vigorous, co-operative campaign on the part of all silver men. We do not care for candidates and places till the question of principle is settled.

HOMES DYES THAT ARE FAST.

How to Make Beautiful Colors With the Reliable Diamond Dyes.

Millions of women in Raleigh are wearing dresses of fashionable colors that would have been thrown away long ago had it not been for Diamond Dyes. With a ten cent package of these simple home dyes, the novice can dye a fast and beautiful color equal to the work of the professional dye-house.

Shirts, neckties, handkerchiefs, socks, capes and shawls are ready-dyed, so that a faded garment will look as though it was right from the shop.

Out of 50 different kinds of Diamond Dyes, 12 are special fast colors for cotton and mixed goods, that do not crock or fade, even when washed in strong soaps. These dyes are made from a peculiar combination of dyes, and cannot be imitated except in the Diamond.

For over twenty years Diamond Dyes have been the standard home dyes, and have taken the place of crude dyestuffs and unreliable packages of dyes in all parts of the world. This marvelous success has naturally inspired more and more worthy imitations, sold to the trade at a less price, and which a few unscrupulous dealers urge upon their customers, the only way to ensure success in dyeing is to use only the Diamond, the strongest, fastest, and most successful of all dyes.

Death of Mrs. E. B. Barbee.

Mrs. Adelyn Barbee, wife of Mr. E. B. Barbee, died in Raleigh, on February 7th, 1896.

In his claim for this beautiful sample of graceful life and lovely character, Death never seemed more pitiless.

But a "silver chord" was loosed, and its parting grievously strained the tenders of many hearts. Friends sadly miss the communion of a sympathetic and generous love. A sweet, beneficent spirit has gone to shed its influence over an adored household from a loftier summit.

Sergeant-at-Arms Grant.

WASHINGTON, Feb. 7.—The Republican senatorial caucus this afternoon, after a debate of an hour and a half, settled the question of the elective officers of the Senate by the nomination of a full ticket. Mr. A. J. Shaw, of the State of Washington, was nominated to be Secretary of the Senate, Maj. H. L. Grant, of North Carolina, to be sergeant-at-arms; Mr. Alonzo Stewart, of Iowa, to be acting assistant door-keeper, and Rev. Mr. Milburn, the blind chaplain, to succeed himself.

Hood's Wonderful.

No less than wonderful are the cures accomplished by Hood's Sarsaparilla, even after other preparations and physicians' prescriptions have failed. The reason, however, is simple. When the blood is enriched and purified, disease disappears and good health returns, and Hood's Sarsaparilla is the one true blood purifier.

Hood's PILLS are prompt and efficient and do not purge, pain or gripe.
